

19.2 Appeals from Associate Judge's Decision. A rehearing of an associate judge's order under O.C.G.A. §15-11-21(e) will be by a review by the juvenile court judge of the pleadings, recorded, electronic, or written transcript and evidence of the original proceeding to be obtained at the request and expense of the party appealing said ruling of the associate judge. The standard of proof for such review shall be the same as for the original case.
